

Declaration of Conformity according to REACH Regulation (1907/2006/EC) and Directives RoHS II (2011/65/EU) and Delegated Directive RoHS III (2015/863)

We

apra-plast Kunststoffgehäuse-Systeme GmbH
Hamsterweg 9
54550 Daun

confirm that the products to be supplied to you are articles within the meaning of the REACH Regulation, which are not subject to the notification and registration obligation of the ECHA, since no substances and preparations are used in these articles which are released under normal and reasonably foreseeable conditions of use and they do not contain hazardous substances >0.1 mass per cent according to the criteria of Article 57.

In order to fulfil our obligation to provide information in accordance with Article 33 within the supply chain and to ensure product and occupational safety, we are in constant contact with our suppliers regarding the registration, risk assessment and use of operating and auxiliary materials in products and processes.

To the best of our current knowledge, we confirm that all our products and packaging that we supply to you do not contain any SVHC substances >0.1% by mass that are listed in the ECHA candidate list as of **04 February 2026 (253 substances)** and that they fulfil the restriction conditions of the current REACH Directive 1907/2006/EC and applicable requirements including Annex XIV and Annex XVII, RoHS Directive 2011/65/EU and Delegated Directive 2015/863. The RoHS substance restrictions concern lead, mercury, cadmium, hexavalent chromium, PBB, PBDE as well as DEHP, BBzP, DBP and DIBP.

If we receive new information due to updates to the ECHA candidate list or the use of new preparations and become aware that the 0.1 per cent by mass threshold for an SVHC substance or a threshold value for Annex XVII substances is exceeded in our products and packaging, we will inform you immediately. We hope that this has helped you and will be happy to answer any questions you may have.

Yours sincerely

Daun, February 18, 2026
